

2020 Sponsorship Opportunities

Tacofest Facts:

Since our inaugural event in 2013, over 3,600 people have enjoyed thousands of tacos and craft beer samples, generously donated by local restaurants and craft brewers. So far we have raised \$254,500!

All proceeds from Tacofest go towards Community Support Connections, a leading charity that helps local seniors and adults with disabilities live at home... where they want to be.

From Meals on Wheels, to transportation to medical appointments, and free gentle exercise classes to keep people healthy, Community Support Connections provides a variety of services to lessen feelings of loneliness, isolation and dependence. More than 700 dedicated volunteers support our staff in serving 7,600 of our most vulnerable neighbours. And you can help!

This year, Tacofest will take place on Friday, June 12th, from 6:00pm-10:00pm.
